

## Teen Topics Media (Part 1)

As we learned from our introduction, media is basically any form of communication that reaches or influences groups of people. With this in mind, we see that media is a way people can communicate their thoughts and beliefs about the world. A song about love, for example, would reflect what the songwriter believes love to be. People in the media who have a worldly perspective on things will view things differently than those who have a biblical perspective. Fill in the boxes below based on the different views on the following three issues:

<u>Issue</u>	<u>Worldly View</u>	<u>Biblical View</u>
Abortion	If a mother doesn't want a baby, she should have the right to abort it.	God says all life is precious, that babies are a gift from Him, and all murder is wrong ( <a href="#">Ps. 127:3</a> ; <a href="#">Ex. 20:13</a> ; <a href="#">Ps. 139</a> )
Profanity	Words are just words. If I offend someone, that's their problem. I can say whatever I want.	Speech is for God's glory, taking Lord's name in vain is wrong, must watch our words ( <a href="#">Col. 3:17</a> ; <a href="#">Ex. 20:7</a> ; <a href="#">James 3</a> )
Marriage	Living with someone is basically the same as marriage. Commitment can be bad. Marriage should be redefined	A beautiful thing, life-long commitment between a man and a woman ( <a href="#">Gen. 2:18-24</a> ; <a href="#">Malachi 2:16a</a> ; <a href="#">Eph. 5:22-33</a> )

> In today's media, which view is more common? Why? Worldly view. It's more popular, many in media are non-believers.

> Do you think the various views that the media push are having an impact on people? In what way? Yes. More of their opinions/perspectives are being embraced by the culture.

As followers of Christ, we need to examine our views on issues to be sure we are listening to God's Word rather than the world. Scripture says that our faith should be "not in the wisdom of men, but in the power of God" ([1 Cor. 2:5](#)).
